

Curriculum Vitae

Łukasz Walenty Niparko, Ph.D.

website: niparko.online

Skills:

Research: AI, Data Privacy, Digital Civil Society, Digital Ethics, Trust & Safety, User Experience
Research Methods: Mixed Methods Research, Legal and Policy Research
Data: Collection, Analysis and Visualization, Surveys, Interviews, *SQL, R, Python, Tableau, Sprinklr*
Communication: Public Speaking, Policy Memos, Data Reporting, Producing Online Content and Video Editing, Website Design, *Canva, Adobe Suite, Mailchimp, WordPress*, Host of The B-Effect (<https://beffect.online>), Efekt Motyla, and The Digital Kallipolis (<https://niparko.online/agora>)
Languages: English, Polish (native/fluent); Mandarin-Chinese, French, German (elementary)
Other: Grant Management, Ability to Develop Successful Grant Proposals and Receive Funding, Agentic AI Tools; AI assisted task and project management

Education and Training:

- 2019-2024 **Doctor of Philosophy**
Political Science, University of Nebraska at Lincoln, Lincoln, NE
Research Fellow at the Nebraska Governance and Technology Center
Concentrations: Governance and Technology
Dissertation Title: **Digital Kallipolis: Being Homo Sentiens in a Post-Digital World**
- Graduate Certificate in **Mixed Methods Research**
Graduate Certificate in **Public Relations & Social Media**
Graduate Certificate in **Digital Humanities**
- 2013-2016 **Master of Laws**
International Law, European University Viadrina, Frankfurt(Oder), Germany
- 2009-2013 **Bachelor of Arts** with Honors
Global Studies, St. Lawrence University, Canton, NY
Minors in Asian and European Studies
- 2007-2009 **International Baccalaureate**
United World College of the American West, Montezuma, NM

Selected Work and Research Experience:

- 2025-
present **Founder and Project Manager**
BE Side By Side, Bethesda, MD
- Founded and lead an early-stage venture studio and public-interest technology company developing projects at the intersection of AI, civil society, local economy, and digital governance
 - Lead product strategy, research, positioning, partnership development, fundraising, and product design and user experience research

- Oversee a portfolio of projects, including technology ventures in civic/social infrastructure and local-service marketplaces, e.g., UP-LIFTED in Canada
 - Translate user experience and policy research into applied technology, media, and products
 - Manage core operations, including budgeting, planning and communication
- Skills:** project and product development and management; product strategy; budgeting and accounting; user experience design and research; media production; communication; stakeholder engagement fundraising

2024-2025

Research Fellow

Death Penalty Information Center, DPIC, Washington, DC

- Developed and delivered data-driven insights to policymakers and media outlets
- Led multiple research projects analyzing trends and producing comprehensive reports
- Conducted advanced statistical analyses and created impactful data visualizations to communicate complex findings using *Python*, *R*, *Spotfire*, and *Tableau*
- Managed and mentored a team of interns, oversaw data collection protocols and quality assurance
- Designed and implemented data collection methodologies

Skills: data analytics and visualization; statistical modeling; research methodology; project management; team leadership; stakeholder engagement

2022-2024

Principal Investigator

Nebraska Governance and Technology Center, Lincoln, NE

- Spearheaded a comprehensive mixed-methods research project examining the societal impact of very large online platforms (VLOPs)
- Designed and executed large-scale data collection, including surveys, in-depth interviews, and social media analysis
- Developed and implemented rigorous sampling methodologies to ensure representative data collection on data privacy concerns
- Conducted extensive policy analysis of EU and US legislation
- Generated evidence-based policy recommendations
- Secured and managed research grants
- Ensured compliance with IRB protocols and data privacy standards

Skills: research design and data collection; user experience research; public opinion research; policy analysis; stakeholder engagement; grant writing; data privacy compliance; project management

2019-2022

Research Operations & Data Governance Coordinator

University of Nebraska, Lincoln, NE

- Managed a 1,000+ participant research pool, ensuring efficient recruitment and training
- Developed and administered surveys, implementing methodological rigor and data quality
- Implemented comprehensive data privacy protocols for handling sensitive participant information
- Trained and supervised research teams in platform usage and data collection methodologies

Skills: research operations management; survey design; data privacy compliance, organizing workshops

- 2022 **Legal HQ Summer Intern**
TIBCO Software (now Cloud Software Group), Palo Alto, CA
- Contributed to databases of inbound and outbound contracts, ensuring accuracy and compliance
 - Assessed contracts for adherence to domestic and international data privacy regulations
 - Trained AI models to parse legal clauses, and developed methodologies to evaluate parsing accuracy
 - Presented analytical findings to senior leadership
- Skills:** digital contract lifecycle management; training AI; data privacy compliance assessment
- 2022 **Country Expert**
Varieties of Democracy (V-Dem), Gothenburg, Sweden
- 2020, 2021 **Summer Research Laboratory Associate**
University of Illinois Urbana-Champaign, IL
- 2018 **Data Analyst**
Thomson Reuters, Gdynia, Poland
- Conducted comprehensive financial data analysis for the Know Your Customer Team, evaluating institutional compliance and risk factors
 - Executed in-depth due diligence reviews ensuring regulatory compliance
 - Obtained professional certifications in Data Privacy and Information Security
- Skills:** financial risk assessment; regulatory compliance; due diligence; information security
- 2017 **Legal Research Fellow**
American Civil Liberties Union, Cleveland, OH
- Conducted research on human rights and civil liberties violations
 - Actively advocated for the respect of rights, including the right to asylum, rights of incarcerated persons, and against various forms of discrimination
 - Utilized public speaking skills to share findings and promote ACLU's initiatives, communicating complex legal concepts to diverse audiences
 - Collaborated with a multidisciplinary team to further the ACLU's mission
- Skills:** legal and policy analysis; advocacy; public speaking; stakeholder engagement
- 2017 **Grant Writing & Program Leadership Specialist**
Polish Humanitarian Action-PAH, Warsaw, Poland
- Secured external funding through successful grant applications
 - Developed and delivered compelling presentations to institutional and corporate donors
 - Managed global education programs, fostering relationships with diverse stakeholders
 - Supervised and mentored staff and interns to drive effective program delivery
- Skills:** stakeholder engagement; program development and management; team leadership; grant writing

- 2016 **Pat Cox Parliamentary Fellow**
European Parliament, Brussels, Belgium
- Supported a Member of the European Parliament by coordinating schedules, organizing meetings, and managing daily operations in a fast-paced environment
 - Built and maintained relationships with diverse stakeholders, including policymakers
 - Drafted policy memos and edited proposed resolutions
 - Delivered presentations and effectively conveyed complex information to varied audiences
 - Collected, analyzed, and synthesized data to support policy recommendations
- Skills:** office management; relations building with diverse stakeholders; data and policy analysis
- 2013-2016 **Graduate Researcher**
European University Viadrina, Frankfurt(Oder)
- Conducted a legal analysis of the People’s Republic of China policies toward ethnic, religious, and linguistic minorities and their compliance with international law treaties
- Skills:** international law research; legal writing; policy analysis
- 2009-2013 **Undergraduate Researcher**
St. Lawrence University, Canton NY
- Thesis Title: Transformation: Hopes, Shock, and New Order
 - Conducted a mixed methods research project surveying the 25 years of Polish transformation from the political economy perspective—preceded with ethnographic fieldwork in Poznań, Gdańsk, Warsaw, and within the Polish countryside
- Skills:** mixed methods research; ethnographic fieldwork; political economy analysis; interviewing

Teaching:

- | | |
|----------------------|--|
| Fall 2023 | Instructor, POLS 338 Women and Politics . This course was cross-listed with Gender Studies and explored women’s participation in political life, the barriers they face in this participation, and discrimination against women and LGBTQIA+ persons in politics |
| Spring & Summer 2023 | Instructor, POLS 108 Political Ideas . This course engaged with political theories, philosophers, and ideas from antiquity to the postmodern day, also from the Global South |
| Fall 2022 | Teaching Assistant, POLS 100 Power and Politics in America . This course focused on the fundamentals of the United States political system and its institutions |
| Spring 2022 | Co-Instructor, HON 291 Honors Global Dialogue: Forum for Hope, Freedom, and Belonging . This course surveyed Central European civil society and activism throughout history, especially with an outlook on anti-totalitarian civil disobedience and current developments associated with the erosion of democracy |

Spring 2022 Instructor, HON 102 The **Science of You**. A course for university honors students, which prepared them for future academic, research, and career endeavors
